

IMPORTANT NOTICE FROM

Faulkner County
Council on Aging

Conway ● Greenbrier
Mayflower ● Mt Vernon
Twin Groves ● Vilonia

Regarding COVID-19 and the operations of our organization.

Faulkner County Council on Aging has a plan in place to guard the seniors who utilize our senior centers, transportation and Meals on Wheels services. This notice is effective as of Friday, March 13, 2020.

CENTERS REMAIN OPEN

AT THIS TIME, our centers will remain open. However, we ask that no senior or citizen of any age who has a fever, possible symptoms or has traveled to areas where the virus is prevalent visit any center. Our utmost concern and goal is to protect the many seniors who utilize our programs and services.

CLOSING OF CENTERS

In the future, **SHOULD THERE BE A CONFIRMED CASE IN FAULKNER COUNTY**, we will close our centers to ensure the protection of our seniors. Should that occur, we will place notices onsite, post on the Faulkner County Council on Aging Facebook page and place a crawl on our website.

TRANSPORTATION & MEALS ON WHEELS

Should we have to close, **we will continue providing** home delivered meals to our Meals on Wheels seniors, as well as transportation for those who must have ongoing dialysis and cancer treatments.
